Address	Sanyo Hungary 2510 Dorog, Ipari Park
Country	Hungary

PRODUCTS OR MACHINERY

SANYO Hungary Ltd was established to produce rechargeable batteries in Dorog in 1999. The assembly production of solar panels started in 2005, SANYO Hungary has produced the photovoltaic module with industry leading performance and value using state-of-the-art manufacturing techniques thanks to the research and development in Japan. Solar division has grown rapidly in accordance with the market demand in Europe, SANYO Hungary became the biggest solar factory in SANYO group. The big success of solar panel production enabled the continuous expansion of Solar Division, and SANYO Hungary is now fully dedicated on producing solar panels.
