## PRODUCTS OR MACHINERY

Our ozone products mainly include ozone taps, multifunctional ozone machines, ozone air sterilizers, ozone air purifiers, ozone water purifiers, ozone generator systems and interrelated accessories, which are mainly applied for water treatment and air purifier in domestic commercial and industrial areas.

Our thermoelectric cooling assembly includes the highest quality thermoelectric cold plates, liquid coolers, and thermoelectric coolers for thermoelectric cooling application that demand extremely high reliability.

We will try our best to offer the highest quality products and services to our clients. We hope that we can get profit by working with our clients and hope that more and more clients can be our distributors and agents in their regions. We promise we will make effort to supply best products, services and technical supports.
