PRODUCTS OR MACHINERY

The AGGA promotes and encourages the trade and business interests of members of the AGGA as well as providing information and advocacy services on all aspects of glass from energy efficiency to standards, safety and compliance.

The AGGA is also committed to providing access to high quality training resources and programs that ensure its members are equipped to meet the demands of an ever changing industry.

COMPANY BACKGROUND / HISTORY

The Australian Glass and Glazing Association is the peak body representing state association members and individual companies covering glass manufacturers, processors, merchants, glaziers and suppliers of supporting machinery, services and materials.

VISION

'To support the long-term viability of the Australian glass and glazing industry and establish the sector as a provider of safe, high quality and sustainable glass & glazing products and services.'

MISSION

- Provide national leadership, coordination and representation on issues on behalf of our members
- Define robust industry quality, safety and customer service standards and promote industry products and services that meet these standards
- Encourage, assist and promote sustainable industry practices and the contribution of glass to delivering sustainable buildings
- Provide highly-valued member services that address priority issues
- Support companies to implement good business practices that improve financial viability

VALUES

Collaboration – working together for the greater good of all members
Equity – ensuring all members have equal access and opportunity to participate
Transparency – all decisions and actions to be clearly communicated to all members
Respect – recognise and respect the diverse situations of members
