PRODUCTS OR MACHINERY

Polysolar is the UK supplier for the unique low-cost 20% brown-tint photovoltaic transparent glazing. Polysolar's BIPV products range from PV tiles for roofs and glass roofs, flexible PV for awnings, cladding and flat roofs, transparent PV glass for wall facades for office buildings, schools, hospitals and shopping malls to solar glass for atria, conservatories and bus shelters. The applications for photovoltaic glass is only limited by one's imagination.....!!

Additionally we can provide advice, design and sourcing expertise to OEM companies designing and developing their own products.

Company Profile of **Polysolar Limited**
