## PRODUCTS OR MACHINERY

The TARKA ranges

The Tarka ranges comprise modules designed for use in professional buildings, such as schools, production facilities, public buildings, farms, etc

TARKA modules have positive tolerances, a 20 year warranty and a power output guarantee, which make them among the most efficient on the market.

The panels in the classic range come in mono- or multicrystalline form, and are delivered with an aluminium frame and white backsheet for optimum output .

The TARKA All Black range comes with a black frame and black backsheet for attractive integration in the local environment.
