Address	ORI Solar Limited Building No.6 153 Middle Nanhu Road 214128 WuXi
Country	China (People's Republic)

PRODUCTS OR MACHINERY

Polycrystalline module / Monocrystalline module

ORI Solar Limited is an international manufacturers of high performance crystalline photovoltaic modules. We offer clean power to on-grid and off-grid residential, commercial, industrial and utility scale applications all around the world.

Our top materials and high quality standard enable us to produce modules that maximize the energy yield of the PV system per unit area, and reduce balance-of-system (BOS) and installation cost per KWp.

Additionally, we maintain a strong global presence and our production facilities have been set up compliance to the quality system requirements of ISO 9001, IEC, TÜV Rheinland, etc.
