## PRODUCTS OR MACHINERY

**Curtain walls** and **steel&glass staircases** are the most recognizable items produced by Faraone Srl. Faraone was one of the first companies to adopt the innovative technology of the **point-fixed glass system**, and quickly became a **leader** in the field.

This position is strengthened by means of continuous investment in technology research, the development of product lines and special attention dedicated to services, following a total quality model.

Passion, continuity and professionalism are **fundamental qualities** that Faraone offers to its partners.

It does not only produce **external structures**, but also **partitions**, **doors**, **canopies**, **structures for urban planning/streets**, as well as **interior staircases** and a wide range of **railing** and **balustrades**. Design plays a central role in all new Faraone products.
