## PRODUCTS OR MACHINERY

We create , change and get with artistic means our culturally shaped environment that meets the expectations and conditions of the individual and society , contradicts or calls into question. Sometimes temporary, sometimes visionary, sometimes virtual, but always with the highest standards. Whatever remains is the mental image in our minds with its lasting effect. Our covers himself asked the task pane , in the broad field of the fine arts and applied arts architecture + design, the analysis, the design thinking and action and give reasons. We reflect the needs of society and put them in a designed environment. We will respond to changes in these conditions and design proactive strategies to address them in art , design and architecture.
