PRODUCTS OR MACHINERY

Recycling solutions your way.

We are committed to partnering with our customers for the long term, so our approach is simple: meet the needs of the customer. It's common sense. If we sell you unnecessary extras, you won't respect us in the morning.

Expertise at your fingertips.

With our in-house recycling experts, you know everything possible is being recovered from your materials and that all handling, reuse, and recycling are managed safely and responsibly.

Efficiency and safety.

A streamlined recycling process is better for the environment and safer for employees. We use time-tested logistics, rigorous quality control, and high-tech equipment to deliver cost-effective recycling solutions.

Peace of mind.

Kuusakoski has a reputation for integrity built over a century. You can rely on us to do things the right way for people and the planet—or not at all.
