PRODUCTS OR MACHINERY

The technology of securing pallet loads for the container glass industry is characterised by a whole series of MSK innovations. Trail-blazing solutions have been developed on the basis of a range of MSK patents and in close co-operation with leading enterprises in the industry.

COMPANY BACKGROUND / HISTORY

Our corporate group is one of the leading international manufacturers of packaging and logistics systems for pallet load units and large containers. Our headquarters is in Kleve on the Lower Rhine in Germany. We have achieved our leading position through continuous innovations in respect to machines and software, comprehensive customer service and a highly capable team of employees.
