## PRODUCTS OR MACHINERY

We're an engineering company that supplies the most advanced technology for producers of glass. We design, produce and deliver batch plants and furnaces, but also we supply equipment necessary for batch plants (batch chargers, crushers, vibrating feeders, scraper conveyors - SmartScraper™, elevator&conveyors, weighing and dosing system, control system) and for furnaces (gas stations, control system, electrical boosting, bubbling) - the equipment is designed by our engineers and produced in Poland at our production plant.
