PRODUCTS OR MACHINERY

Marine hatches, windows and doors

Our design, engineering and manufacturing team can deliver technically innovative solutions to meet the aspirations of the most discerning of clients. We specialise in working closely with many of the worlds leading boat builders and designers to produce superior products which show an unrivalled attention to detail.

We offer a bespoke service for making boat windows of any shape however intricate. This service is ideal for providing replacements for windows of unusual shapes as well as allowing designers to develop more aesthetically pleasing vessels.

Bespoke windows can have mixed radii and combinations of mitred corners and sweeping curves as well as special glazing including heated laminated glass or double glazing.
