PRODUCTS OR MACHINERY

Glass containers for non-alcoholic beverages and jars.

COMPANY BACKGROUND / HISTORY

GCA, investment of Gürok Group after 20 years of experience in glass manufacturing, is a glass container producer. It has established in 2015. From processes to the quality control and packaging processes, GCA uses state of the art technology and automation system.

With over 850 employees, GCA is a type of large investment. The infrastructure is designed to accomodate more than one furnace. Plan is to increase production capacity in line with demand.

From design to sales/marketing, GCA will have ISO 9001 and BRC/IOP management systems implemented in all processes and the factories had built and will be built to be eco-friendly. Machinery and facilities are chosen with this concept in mind. As it is mentioned at the beginning of the establishment, GCA is one of the best examples regarding sustainable production.
