PRODUCTS OR MACHINERY

Virtually any flat surface can be printed using screen printing method. Our company can handle a wide variety of materials. Having over 20 different lines of ink (and all colors) available, we can basically meet any application requirement. Whether it is a metal part that has to meet MIL specs, an outdoor sign exposed to direct sunlight for few years or a perfume bottle, we have the right ink for it. We can handle a one piece order or sample run, or hundred thousand production run requiring quick turnaround time and daily delivery. Our equipment can handle single or multi-color printing including 4 color process (up to 65 LPI) and protective clear coats if necessary. We have a wide range of standard colors available, but any PMS color can be matched to your specifications.
