Address	American Pacific Borate & Lithium Ltd Level 24 Allendale Square 77 St Georges Terrace PERTH WA 6000
---------	---

Country	Australia
---------	-----------

PRODUCTS OR MACHINERY

Boron and Lithium are in high demand for a number of new technologies. These technologies have demonstrated energy saving benefits and increasingly underpin a number of environmentally responsible technologies. Because of the unique electrochemical properties of both Boron and Lithium, these elements and their derived compounds are often difficult or impossible to substitute with other commodities, assuring their place in stable and fast growing markets.

Company Profile of **American Pacific Borate & Lithium Ltd**
