## PRODUCTS OR MACHINERY

Glass is viewed by many as being the optimal packaging solution when it comes to balancing environmental considerations with functional needs, such as visual appeal. All our products are made to internationally recognised quality standards and have a very high lustre and clarity. Our glass products are all recyclable and we also take care of distribution through our own UK logistics and warehouse hub, transporting packaging to Aegg's customers all around the UK and beyond.

## COMPANY BACKGROUND / HISTORY

Aegg supplies global food and drinks brands with recyclable glass and plastic packaging, through bespoke design, logistics and manufacturing solutions together with a range of off-the-shelf options.
