PRODUCTS OR MACHINERY

We have been supplying the Glass Ware to famous international brands, we design patent shape glass ware according to the user request, and the new customized Glass Ware is well accepted by the consumers. In another case, a condiment factory pursues the production costs reducing and becomes more competitive, we come out with a reasonable solution by using the Narrow Neck Press Blow (NNPB) process, comparing to the Blow Blow process. The new technology makes glass lighter, meanwhile our Computer Simulation Testing Program can make the design reasonable.
